## NEWBERRY FIREHOUSE CONFERENCE CENTER

*Planning your next event doesn't have to feel like fighting fires!*

Located in the heart of downtown Newberry, just next door to the Opera House, is the historic Newberry Firehouse Conference Center. The Newberry Firehouse is a beautiful art deco structure that once served as the district fire station.

In 2005, the Firehouse was remodeled into an elegant, high-tech conference center and event venue. It now hosts business events, such as training seminars, management retreats, and executive meetings, as well as social events such as weddings and reunions.

The space offers a prep kitchen, multi-purpose banquet room, adaptable conference and meeting rooms, well-appointed executive board room, outdoor courtyard and balcony, ample parking, and much more. The facility is outfitted with state-of-the-art audio/visual equipment and wireless internet.

Visit [NewberryFirehouse.com](http://NewberryFirehouse.com) for more information about holding an event at the Newberry Firehouse Conference Center or call them at 803-276-1800.
