

# IPHONE PHOTOGRAPHY WORKSHOP

The 3 sessions totaling 7.5 hours start with how to make the most of your iPhone camera by covering features, tips, and tricks. This session also covers tips to make creative videos by incorporating music and photos into your video. The focus will then be on creating photos with different lighting, principles of composition, and creative techniques in a variety of different settings. The workshop will conclude with editing techniques using your iPhone as well as available iPhone editing apps to make your photos stand out. Practical in class exercises along with out of class exercises will be given to enhance learning.
